Researchers and PhD Candidates in **Information Visualization • Human Computer Interaction Geospatial Semantic Web • Information Retrieval**

The Department of New Media Technology of MODUL University Vienna is seeking outstanding candidates for open positions as researchers and PhD candidates. MODUL University Vienna is a recently founded international university located on top of Kahlenberg, a scenic hill overlooking Vienna. It combines a strong academic foundation with state-of-the-art curricula and a commitment to innovation and sustainability as key drivers of success in a dynamic and knowledge-based society. Appointees are expected to make significant contributions to the university's research activities.

Requirements

- A degree in computer science, information systems or a related area (applicants about to finish their studies are encouraged to apply as well)
- Excellent programming skills preferably in Java, Python or PHP
- Good written and spoken English (German is not a requirement)
- Specialization or interest in one or more of the following fields:
 - I. Information Visualization (Document Clustering, Thematic Mapping)
 - II. Human-Computer Interaction (HCI)
 - III. Web Mapping and Geospatial Interfaces
 - IV. Semantic Web, Information Retrieval, Natural Language Processing
- Ambition to produce internationally recognized research output, and willingness to collaborate within an interdisciplinary team.

The positions are available immediately. Initially, contracts are offered for the duration of one year. PhD candidates receive between € 25,000 and € 34,000 per annum; additional allowances are available. Further details on the research of the Department of New Media Technology can be found at the following Web sites: www.modul.ac.at/nmt, www.geospatialweb.com, www.idiom.at and www.ecoresearch.net.

MODUL University Vienna is an equal opportunity employer and strongly encourages qualified women to apply. Please send your application (cover letter, curriculum vitae including academic track record and list of publications and/or projects) to the Deputy Managing Director, Ms Wilma Habitzl, Peter-Jordan Straße 78, 1190 Vienna, Austria. Electronic applications to office@modul.ac.at (cc: nmt@modul.ac.at) are preferred.
